UNLIMITED LEADERSHIP ACADEMY

[CHURCHUNLIMITED.COM.AU/ACADEMY](https://churchunlimited.com.au/academy)

WELCOME FROM OUR SENIOR PASTORS

God has called all of us to live a life of influence. This means our lives are designed to be lived for something bigger than ourselves! He created each one of us to advance His Kingdom on earth as it is in heaven. To help us achieve this, God then placed the fullness of His Holy Spirit within us! We are literally carriers of God's unlimited power and unlimited presence. This means **WE ARE UNLIMITED!**

Unlimited Leadership Academy exists to help you to discover the unlimited potential within you. We have designed ULA with face to face lectures, practical ministry placement, and individual mentoring to help train and equip you to fulfill your God purpose. Through studying with ULA, you will continue to grow in your love for God, discover more of who God has created you to be, discover new found confidence, and sharpen your spiritual gifts.

People in your world need Jesus! Will you answer the call?

WAY FOR...**

JANNA CASINO

UNLOCKING YOUR UNLIMITED POTENTIAL IN YOUR INDUSTRY!

I knew I was going to enroll at Unlimited Leadership Academy but the question was when? At that time it wasn't possible! However when classes moved to Monday nights I took a step of faith and enrolled a few days before the orientation... and then had my meeting with my boss to see if I could finish early to attend. Thankfully that same day she agreed!

I knew this was God opening a door to a new season, one He was paving the way for. I knew that as I was obedient, He would continue to direct me. I'm not the same person I was two years ago. Thanks to ULA, I'm more confident and a better leader. I've stepped into new responsibilities at work and practically used the principles we've learned - it's brought great opportunity and even promotions!

ULA's not only helped me thrive at work, but across my whole life! I've learnt theology, leadership, I've grown closer to God, and I've discovered more about who He made me to be along the way.

Studying with ULA is not just for people who feel called to preach or pastor - it's for everyone. No matter your age or experiences, I believe God has called all of us to live a life that matters.

**I'D SIMPLY WANTED TO KNOW
MORE ABOUT THE BIBLE, BUT
QUICKLY REALISED GOD HAD
CALLED ME FOR A DIFFERENT
REASON...**

JOSH WELKE

UNLOCKING YOUR UNLIMITED POTENTIAL IN YOUR MINISTRY!

When I first started ULA, I'd simply wanted to know more about the bible, but quickly realised God had called me for a different reason... He had a plan for my life and I felt a ministry calling over my future. Studying at ULA's helped me understand this calling as well as equip me with practical tools to live out this life God has for me!

By engaging in the classes, I unlocked a desire for greater understanding as each subject is unique and challenges you to grow. From understanding dynamic faith to being an effective leader to the mission of the church, ULA is more than just a bible study but a place to learn, develop and live out the purpose God has for your life.

To anyone even thinking about enrolling in ULA, don't hesitate... the longer you put it off, the longer you put off the wonderful things God has in store for your life and for your family! I'm leaving ULA knowing that I'm a better husband, father and follower of Jesus because of the things I learned.

UNLOCKING YOUR UNLIMITED POTENTIAL IN YOUR FAMILY!

We all face challenges... Yet as a father, I knew how intentionally I led my family mattered! It wasn't about leading with an iron fist but guiding them with purpose and showing them God's love in everyday moments.

I wanted to build stronger connections with my kids, to be more patient and create a home where they feel heard and loved. As a husband, I wanted to grow deeper in relationship with my wife by being present and leading with love and understanding.

Over the last two years, ULA's given me the tools to grow in both these areas! I feel equipped to lead my family through different seasons with a clear mindset, not just as a father or a husband but as a leader. I feel confident teaching my family how to stay grounded as a role model that shows them what faith looks like, that we would be a family that knows Jesus as part of their life.

I encourage everyone to enroll in ULA and just see how God will transform you and your family!
